WHAT WILL I DO AT CAMP?

There are a ton of great activities planned for the next Cooperative Youth Leadership Camp. The following *is an example* of the day-by-day activities.

DAY 1

Arrive at camp, break into small groups, meet your fellow campers, learn about cooperative governance and elect a board member for your group, and hear an amazing leadership speaker.

DAY 2

Learn about managing conflict, ride a gondola to the top of Mt. Werner, explore downtown Steamboat Springs and compete in a volleyball tournament.

DAY 3

Run for an ambassador position; watch as your hair stands on end - really - during the Story Behind the Switch presentation; watch a high-voltage electric safety demo; tour the Craig Power Plant; build a model electric system; and show us your talent.

DAY 4

Float down the Colorado River and dance under the mountain stars.

DAY 5

Learn about birds of prey with HawkQuest, take another look at leadership, elect the next year's ambassadors, and celebrate at the banquet.

DAY 6

Say goodbye to your new friends. Cherish all your amazing camp memories.

MY TIME AT CAMP...

"I will never forget how easy it was to make new relationships with people from all over the four states."

"I was most inspired by the fact that everyone was able to be themselves and everyone was so nice. They inspired me to be more like that when I go back home.

"The counselors and ambassadors really inspired me to get out of my shell and embrace new things.

"The rafting trip with such amazing people is an adventure I will never forget.

"I will always remember the people I met throughout this trip. I have made some great friends and I know those relationships will not stop now that camp is over.

"I think I will always remember the positive attitude everyone had.

JUST ANOTHER CAMP?

Right now you are thinking that this is the zillionth camp brochure you have received and that this camp is just like all the rest. It costs a bunch, you won't know anyone there, it's going to be awkward, and you won't get anything out of going except maybe a sunburn.

✗ GUESS AGAIN

This camp is free, you are going to make life-long friends, learn about yourself and build new leadership skills that you will use forever...
